# Stacy Ridge Estates Neighborhood Directory Information Request Form

Hello neighbor and welcome to Stacy Ridge Estates,

The Homeowners Association Communications Committee sponsors the neighborhood directory. We would like to have your family included in our directory.

Please be aware that this is our neighborhood directory. The directory will help us keep you updated on city and surrounding communities' activities and issues that affect our neighborhood. It is for getting to know and keeping in touch with one another. It is for neighborhood crime watch, holiday parties, block parties, ladies' activities, and other similar uses. The information will also be used by our property management company to setup their neighborhood records. The directory is not to be used for political, business or commercial purposes, and is not to be shared with anyone outside of our neighborhood other than our property manager.

If you are a new homeowner or you are not currently in the directory or you have updates to the directory, please fill out the following information, sign and submit to NMI, our property management company, at:
